

Fanbase for sale

Devoted audience seeks innovative network for lucrative personal relationship. Over 7.5 million with room for growth, able to win time slots every week, willing to provide financial support for the right advertisers.

Asking price: Second season of Moonlight

Moonlight won its timeslot every week, along with the hearts of millions of fans. It won a People's Choice Award and Alex O'Loughlin was tapped as TV Guide's Sexiest Sci-Fi Guy.

Thanks to the exceptionally talented and dedicated cast and crew, this show has gotten better with every episode and hit a crescendo May 16. Let Moonlight's sonata continue.

We've literally poured out our blood, sweat, tears and cash for this show. Let us do it for your network.

We can't close the door on Moonlight -
and neither should you.

Vampire Solidarity, Rah, Rah, Rah!
Sincerely, Millions of Viewers
